

Capital Compass

Ambitious and Future Focused

About Capital Compass

Capital Compass is an Enterprise Development and Support Initiative designed to help Small, Medium and Micro Enterprises (SMMEs) move from start up to sustainable success. We turn ambition into structured growth, bankable systems and long term success. We support rural, township and urban entrepreneurs who want more than survival.

We help you build a real, compliant and competitive business that creates income, jobs and lasting impact.

OUR PURPOSE

We diagnose your business, fix the gaps, strengthen your operations and systems. Then we prepare you for funding and growth.

From survival to stability.
From stability to scale.
From scale to sustainability.

We walk the journey with you.

OUR OFFERINGS

1. Business Turnaround and Recovery (BTR)

A fully funded Business Turnaround and Recovery Programme for enterprises under pressure. We stabilise operations, correct financial challenges and reposition your business for growth.

2. Start Up Nurturing Programme

We guide new businesses from idea stage to bankability. This includes structured mentorship, compliance support, seed capital readiness and financial preparation.

3. Business Support Services (BSS)

Full Business Support Services including:

- ✓ Accounting and Financial Management
- ✓ Marketing, Social Media and Customer Relationship Management (CRM)
- ✓ Information Technology (IT), Enterprise Resource Planning (ERP), Websites and digital tools
- ✓ Strategy and Business Planning

4. Funding Readiness and Fintech Funding

We prepare you for funding and connect you to fintech solutions and finance partners. We ensure your books, compliance and business plan are investment ready.

5. Post Investment and Aftercare

After funding, we continue supporting your growth to ensure sustainability and accountability.
